

Deutsche Asset One – Real Estate Investment- and Asset Management in Germany

Deutsche Asset One is an **established**, nationally positioned **Investment and Asset Manager**, specializing in the **Residential Real Estate asset class**.

Deutsche Asset One was established by Dupuis Asset Management (founded 1998). For 20 years, a proven performance record in the building and managing of Residential Real Estate portfolios for distinguished Institutional Clients has been demonstrated.

As an **independent, management-owned** Investment Boutique, we offer **no individual products** and are thus free from any conflicts of interest. Through a **high degree of vertical integration**, including sophisticated processes and IT, we provide **deep added value in Residential Real Estate**.
